Hi Minister. Farm trackers are reportedly blocking all lanes of the 402 highway at the Bluewater Bridge. It seems to be part of a freedom protest (vaccine mandates). I am happy to help if you need me. I personally think we should ask President Biden to at least allow us to match the exemptions he has made for truckers in the US (exemptions for truckers alone in their trucks and for companies with less than 100 employees). If we could negotiate that and then negotiate to have the protestors everywhere go home in exchange for that initial step, and then set a planned timeline for fully opening like many other countries are doing.....

Best regards, MP Marilyn Gladu
